

AIM Spain

July 4 - 11, 2020

\$2500

Dear Future Missionary,

You are going to embark on a journey that will change your life forever! This trip is a direct request from God to “Go into ALL THE WORLD and preach the Gospel.” This is not an experience to be taken lightly. Remember: this is not a vacation. You are not going to be fun seekers. You are not going as just “teenagers” but as missionaries. You are attending this trip as a unified team. You are going with the Holy Spirit and the power he has given you. Do not underestimate what you are capable of! God is calling you to this trip. The fruit of your labor in fundraising will be seen in the 7 days you are in Spain. However, you must prepare yourself ahead of time. Prepare by doing devotions and engaging in personal prayer time. If you do that here and now, we will see incredible miracles while you are in country. We believe God is going to do amazing things in you and through you. Be open to what God will speak to you on this trip. Be sure to have a willing attitude to whatever God wants to do through you. Let’s make this an AMAZING trip for God’s Glory!

We are so proud of each of you!

Cultural Tips

Spanish

- Pretend everyone knows English. Many words are very similar. Your tone of voice tells a lot.
- Many people understand more English than they can speak.
- Try to use the Spanish you know. Hola=hello/ Mucho gusto= pleasure to meet you

Greetings

- Observe the local customs about shaking hands. Most of the time shaking hands is done when you enter and when you leave.
- Some people greet with a “holy kiss” women to women and men to women. It is not always necessary but just be aware of this.
- MEN DO NOT KISS MEN. A handshake is fine and with students a high five or fist pump works.
- Say goodbye in the same manner.
